

INACTIVE METER POLICY

- 1. Water meters are the property of Consolidated Public Water Supply District No. 1 of Boone County, Missouri (Consolidated Water). Payment for a water meter installation is a non-refundable fee for meter placement.**
- 2. Water meters shall be defined as active when installed and will incur a monthly availability fee whether water is used or not. This availability fee covers, in part, the District's continuous maintenance of the water meter. Any meter remaining inactive for less than twelve (12) months, will require payment of availability fees for the inactive months prior to activation of service.**
- 3. Water meters remaining inactive for twelve (12) months or more shall be removed after customer notification. Water meters removed for inactivity will incur the cost of a new meter installation fee if request is made for reinstallation. Installation fee will be per current rates for Meter Setting Charges.**
